[19:49] <litterial> @The_ElusiveOne45 yes

[19:49] <thatanonybear> @The_ElusiveOne45 by all accounts, yea

[19:49] <markrodriguez09> sup DSP

[19:49] <markrodriguez09> grow a ponytail

[19:50] <litterial> I haven't played the game, but I think the difficulty is pretty on par with the last level of Super Mario Galaxy 2

[19:50] <bentboxer> my hair is down to my shoulders

[19:50] <bentboxer> i havent cut my hair in at least 6 months

[19:50] <the_elusiveone45> 2+2 is 4, minus 1 that's 3 quick maths

[19:51] <markie_mark_> when's marvel?

[19:51] <tourwithme> it would take longer than 6 months for your hair to be at your shoulders

[19:51] <the_elusiveone45> Is it harder than Grandmaster Galaxy in SMG2?

[19:51] <thatanonybear> @The_ElusiveOne45 you mixed up the 3 and 1

[19:51] <thatanonybear> minus 3, that's 1, quick maths

[19:51] <beatles12335> just so you know phil, if you return to new donk city that theater you were looking for opens with a pretty cool thing inside =p

[19:51] <kusomoto> Which city are you all living in?

[19:51] <thatanonybear> @kusomoto cmonBruh

[19:52] <reliccastle> you do realize your intro ads are still running?

[19:52] <kusomoto> i think i have a different timeline

[19:52] <bentboxer> long hair dont care

[19:52] <bentboxer> warriors are so boring with kevin durant to watch

[19:53] <the_elusiveone45> @DarksydePhil That Stereo you ran into in the Mushroom Kingdom was playing the Japanese version of "Jump Up, Super Star". Not simlish lol

[19:53] <litterial> @The_ElusiveOne45 but I'd say the GrandMaster Galaxy is harder because you have to beat it with one bar of hp.

[19:53] <kusomoto> speaking of kevin durant, phil should check out nba 2k18 my career

[19:53] <kusomoto> face scan is a lot more improved

[19:53] <bentboxer> it sucks

[19:55] <thatanonybear> bugs everywhere man

[19:55] <litterial> @The_ElusiveOne45 Like the Perfect Run in the GrandMaster Galaxy, if you fall off the stage or lose all you health, you have to restart the stage.

[19:55] <litterial> @The_ElusiveOne45 at least you can get hearts on the darker side.

[19:55] <kusomoto> i don't have a credit card yet so i won't cheer lol

[19:56] <jovayowolu> what headphones did he get?
